Temperature Rating:

0.90 degrees celsius

Cross Section Outside Diameter:

0.607 inches

Product Name:

Neopreme lead wire

Round Conductor Size:

1/0 awg single conductor

Voltage Rating:

600.0 ac rated working voltage single conductor

Special Features:

262/24 stranding

Material:

Copper or tin core conductor cable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
