**End Application:**

Test set eed sea king

**Voltage Rating:**

600.0 root mean square (rms) operating voltage all conductors

**Special Features:**

Temp rating is -40 to 150degrees celsius, pull tension is 32lbs max, wire guage is 14 awg

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
