End Application:

Test set eed sea king

Voltage Rating:

600.0 root mean square (rms) operating voltage all conductors

Special Features:

Temp rating is -40 to 150degrees celsius, pull tension is 32lbs max, wire guage is 14 awg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
