End Application:

1430-01-643-4988

Product Name:

Wire, electrical, polyterafluoroethylene insulated insulate

Special Features:

Type of wire - e; conductor size - 24; contraction over primary insulation - u (unjacketed); color code 904 (color number 9 - white); e-24 numbers of strands - 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
