End Application:

1430-01-643-4988

Product Name:

Wire, electrical, polytetrafluoroethylene insulated, high

Special Features:

Type o wire e; conductor size 16; contractor one primary insulation - u (unjacketed); color code 0 (black); e16 - numbers of strands 19

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
