**Special Features:**

39.500 in. Min, 40.500 in. Maximum o/a lg of cable, 4 conductors terminated on one end with connector receptacle r1606r12s10sa, 2 conductors terminated on one end with connector receptacle r1606r12s3sa, 2 conductors terminated with connector r1606r12s3sa on other end of cable, outside jacket of cable polytetrafluoroethylene spiral cut color white, each branch contains one alumel and one chromel conductor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
