Special Features:

252.000 in. O/a lg of cable, 17 conductors size 20 awg 5 conductors 36.000 in. O/a lg, 6 conductors 252.000 in. Lg, 5 conductors 9.000 in. O/a lg used as jumpers between pins on connector end, conductor terminate with 1 connector electrical plug km6-21-30pnmk2 on one end, lugs ms25036-102 on other end, 9 conductors shielded, 5 singles and 2 twisted pairs, shielded conductors tied to ground with shield pigtail, conductors are covered with vinyl sleeve

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
