Special Features:

Multiple conductors of 22 awg 2 conductor cable, silver plated stranded copper wire, polytetrafluoroethylene insulation, fluorinated ethylene propylene jacket, multiple conductors of 22 and 24 rwg silver plated stranded copper wire, polytetrafluoroethylene insulation, 36.00 in. Formed Ig including end terminations, 5 termination ends, maincable 1st and 2nd end plug electrical, 2nd and 3rd branch end clip and insulator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
