Mounting Configuration:

Six no36/0.110-0.106 in diameter holes equally spaced in a circle with dia of 1.17 to 1.18 in

Material:

Steel

Material Specification:

Qq-s-633, b1113-canceled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537s0
