Overall Length:

18.281 inches

Termination Type:

Nut coupling electrical conduit 1st end single conductor

Conductor Quantity:

1

Conductor Length:

17.250 feet single conductor

Terminal Commercial And Government Entity Code:

19207 1st end single conductor

Special Features:

End fitting termination: plain ferrule with coupling nut both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A077a0
