Special Features:

115 total conductors, 12 ea 22 awg polytetrafluoroethylene insulation, silver coated copper conductors, insulation sleeving outer jacket, 3 ea 20 awg silver coated stranded copper conductors polytetrafluoroethylene insulation, fluorinated ethylene propylene jacket, 30.000 in. Lg including end terminations, 3 connector ends, 1st end connector fscm94756 p/n 414-2240-005, 2nd end connector fscm 94756 p/n 414-1905-002-5, branch end connector fscm 94756 p/n 414-1905-002-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
