Special Features:

Ototal 12 conductors, one single conductor awg 22, twoconductors twisted pairs awg 22, two conductors twisted pairsawg 18, two conductors twisted shielded pairs awg 14, twotwisted shielded twisted pairs awg 22, and three conductorsshielded triple awg 18, approx 14 feet 3 in. Lg, cable hassix branches, one branch 20 in. Lg with an additional leg20 in. Lg, second branch 30 in. Lg with an additional leg 16in. Lg, two branches on end each 33 in. Lg, all conductors arestripped 12 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
