Body Cross-sectional Shape:

Irregular

Overall Length:

4.600 inches

Construction:

Solid

Surface Treatment:

Copper and tin

Surface Treatment Specification:

Mil-t-10727, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0

Mil-std (military Standard):

Mil-t-10727 spec.
