Cross Sectional Shape:

Round

Cross Section Outside Diameter:

0.672 inches

Special Features:

Is length of 53.000 inches which along with part number 12275217-2 eliminates possibility of duplicate of number 12275217-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
