Body Cross-sectional Shape:

Flat

Overall Length:

0.562 inches

Cross-sectional Height:

0.035 inches

Cross-sectional Width:

0.281 inches

End Application:

Power supply unit

Mounting Configuration:

One mtg hole 0.152 in. Dia, one mtg hole 0.144 in. Diameter 0.312 in. C to c

Construction:

Solid

Material:

Stainless steel

Surface Treatment:

Cadmium and chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537p0
