**Overall Length:**

4.000 feet

**End Application:**

F16 a, b, c, d

**Conductor Form:**

Stranded all conductors

**Product Name:**

Cable, interface adapter, aft avionics mux bus matrix assembly

**Special Features:**

Cable c/o flexible wires and appropriate mating connectors; serd no. 42660; contractor lockheed; contract no. F42620-92-d-0316

**Material:**

Copper core conductor all conductors

**Fsc Application Data:**

Flexible automatic circuit tester

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
