Body Cross-sectional Shape:

L-shape

Overall Length:

0.980 inches

Cross-sectional Height:

0.031 inches

Cross-sectional Width:

0.500 inches

End Application:

Terminal board

Mounting Configuration:

Three mtg holes evenly spaced

Construction:

Solid

Material:

Copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537p0
