Body Cross-sectional Shape:

Irregular

Overall Length:

1.600 inches

Cross-sectional Height:

0.190 inches

Cross-sectional Diameter:

0.090 inches

Construction:

Hollow

Material:

Copper alloy

Material Specification:

Qq-c-533 federal specification single material response

Surface Treatment:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0
