**Body Cross-sectional Shape:**

U-shaped

**Overall Length:**

9.980 inches

**Cross-sectional Height:**

0.190 inches

**Cross-sectional Width:**

0.090 inches

**Construction:**

Hollow

**Material:**

Copper alloy

**Material Specification:**

Qq-c-533 federal specification single material response

**Surface Treatment:**

Tin

**Surface Treatment Specification:**

Mil-t-10727, type 1 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537p0

**Mil-std (military Standard):**

Mil-t-10727 spec.
