**Body Cross-sectional Shape:**

Flat

**Cross-sectional Height:**

0.090 inches

**Mounting Configuration:**

Two 0.191 in. Diameter holes and one slot

**Construction:**

Solid

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, alloy 6061 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537p0
