Special Features:

Kmaterial: sealing compound stycast 2651, color black 2007; adhesive code ident 71984 dow corning corp; sealing compound stycast 2741 color black 2007; adhesive sealant code identification 71984, dow corning corp. Electrical requirements: resistance of continuity circuit as defined by drawing 12287798 shall not exceed 1.5 ohm. Circuit isolation, the resistance between any isolated circuits as defined by drawing 1228798 shall be 10 megohms at 100 vdc .

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A509c0
