Branched Electrical Special Purpose Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6150-01-175-3052

A-10/f-16 aircraft age.
Special Features:
5c/o 8.000 in. Main cable with two branches; first branch is 5.00 in. Lg; second branch is 5.00 in. Lg; four electrical connectors; 9 stranded
conductors; temperature rating 200.0 degrees celsius; voltage rating per conductor 250.0; cable adapter w76
Fsc Application Data:

Test station, gyro

End Application:

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A077a0
