**Body Cross-sectional Shape:**

Angular

**Overall Length:**

14.168 inches

**Construction:**

Solid

**Material:**

Copper

**Material Specification:**

Qq-c-576 federal specification single material response

**Surface Treatment:**

Nickel

**Surface Treatment Specification:**

Qq-n-290 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537p0
