**End Application:**

Ef/fb-111

**Special Features:**

8 cable length 48 in, 24 shielded and unshielded conductors, two coaxial cable, shorting plug attached at its connector end; coaxial contacts capable of carrying a maximum continuous current 1.02 at 200 mhz with crosstalk attenuated to at least 100 db at 100 mhz

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
