End Application:

Plated wire memory ita

Special Features:

Wcable has 37 conductor with 4 breakouts length of cable 13 in, each length of breakout varies 14.00 to 21.00, connector key position are keyed with different polarity; first end connector dl4-624p, breakout connector p/n 34058410-4f60

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
