End Application:

U/o b-52 icsms

Component Quantity:

4

Locking Device:

Not included

Component Controlling Agency:

Boeing

Component Name:

Power cable; self test cable; 2 icsms-unique cable

Component Identifying Number:

F400-40031 part no. And f400-40066 part no. And tbd part no. And tbd part no.

Fsc Application Data:

Miscellaneous electric power and distribution equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
