**Body Cross-sectional Shape:**

Flat

**Construction:**

Solid

**Special Features:**

Rated for 110 volt heaters; wired for 220 volts; single phase; 59 amps

**Material:**

Copper

**Purchase Description Identification:**

89455-5-8

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A537p0
