Overall Length:

6.000 feet

Termination Type:

Connector plug both ends all conductors

Conductor Form:

Stranded all conductors

Special Features:

Cable matl neoprene, wire mesh; 2lbs; standard commercial computer interface connector one end, mil-c-38999g connetor at dcu end

Style Designator:

Internal connectors

Fsc Application Data:

Wire and cable electrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
