Electrical Special Purpose Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6150-01-259-6596

Overall Length:
52.000 inches
Termination Type:
Connector external straight 2nd end single conductor
Conductor Quantity:
1
Terminal Commercial And Government Entity Code:
26512 both ends single conductor
Material:
Steel 1st position conductor single conductor
Style Designator:
Internal angle and external straight connector
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
