Overall Length:

52.000 inches

Termination Type:

Connector external straight 2nd end single conductor

Conductor Quantity:

1

Terminal Commercial And Government Entity Code:

26512 both ends single conductor

Material:

Steel 1st position conductor single conductor

Style Designator:

Internal angle and external straight connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
