Body Cross-sectional Shape:

Rectangular

Overall Length:

0.375 inches

End Application:

4920-01-146-2230 main engine control test stand

Mounting Configuration:

Two holes ea 0.075 in. Dia

Construction:

Solid

Material:

Copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0
