**Overall Length:**

3.000 inches

**Termination Type:**

Unprocessed both ends all conductors

**Conductor Quantity:**

16

**Material:**

Tin 1st position conductor all conductors

**Material Specification:**

Qq-w-343 federal specification all material responses 2nd position conductor all conductors

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
