Overall Length:

3.000 inches

Termination Type:

Unprocessed both ends all conductors

Conductor Quantity:

13

Material:

Tin 1st position conductor all conductors

Material Specification:

Qq-w-343 federal specification all material responses 2nd position conductor all conductors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
