Overall Length:

108.000 inches

End Application:

Low altitude navigation and targeting infrared syste (lantirn)

Special Features:

3 conductors; 14 awg; lighted on/off switch; operational led light; 6 grounded 15 amp outlets; 15 amp circuit breaker

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501p0
