Electrical Special Purpose Cable Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6150-01-325-8497

Cross Sectional Shape:
Round
Termination Type:
Connector plug both ends all conductors
Usage Design:
Power
Conductor Form:
Stranded all conductors
Special Features:
Provides elec interface between oil quantity transmitter and cable breakout adapter
Style Designator:
Internal connectors
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A077a0
