Body Cross-sectional Shape:

Flat

Overall Length:

4.440 inches

Material:

Copper

Material Specification:

Qq-c-576 federal specification single material response

Surface Treatment:

Nickel

Surface Treatment Specification:

Qq-n-290 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537p0
