**Overall Length:**

16.000 inches

**Overall Height:**

1.750 inches

**Overall Width:**

2.000 inches

**Ac Voltage Rating:**

330.0 volts

**Mating End Quantity:**

6

**Features Provided:**

Circuit overload protection device and pilot light and switch

**Body Material:**

Aluminum

**Criticality Code Justification:**

Feat

**Special Features:**

6 ft lg cord

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A501p0
