Overall Length:

48.000 inches

Ac Voltage Rating:

125.0 volts

Mating End Quantity:

8

Outlet Type:

Switched

Features Provided:

Circuit overload protection device and pilot light and switch

Criticality Code Justification:

Feat

Special Features:

UL approved; 15 ft lg cord

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501p0
