Overall Length:

1.150 inches

End Application:

5895-01-253-3997

Mounting Configuration:

Seven holes spaces along length of bus conductor

Material:

Copper

Material Specification:

Qq-c-576, 1/2h federal specification single material response

Surface Treatment:

Tin

Surface Treatment Specification:

Mil-t-10727, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0

Mil-std (military Standard):

Mil-t-10727 spec.
