Body Cross-sectional Shape:

Flat

End Application:

Pacer special

Construction:

Solid

Material:

Copper

Material Specification:

Qq-c-502, 1/2h federal specification single material response

Surface Treatment:

Nickel

Surface Treatment Specification:

Qq-n-290, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537p0
