Overall Length:

7.500 feet

End Application:

F-15 support equip

Termination Type:

Connector internal straight 1st end all conductors

Conductor Quantity:

2

Accessory Wire Type And Quantity:

1 ground

Criticality Code Justification:

Feat

Special Features:

Item uses pvc with out waiver from air force per mil-std-454m

Style Designator:

Internal and external connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:
