| Conductor Quantity:                  |
|--------------------------------------|
| 12                                   |
| Cable Assemblylength:                |
| 81.000 inches                        |
| Switch Location:                     |
| Second end                           |
| Material:                            |
| Copper core conductor all conductors |
| Surface Treatment:                   |
| Tin core conductor all conductors    |
| Shelf Life:                          |
| N/a                                  |
| Unit Of Measure:                     |
|                                      |
| Demilitarization:                    |
| Yes - demil/mli                      |
| Fiig:                                |
