| Termination Type:                             |
|---|
| Connector receptacle both ends all conductors |
| Cable Assemblylength:                         |
| 3.200 feet                                    |
| Branch Quantity:                              |
| 1   |
| Special Features:                             |
| Cap and chain                                 |
| Material:                                     |
| Copper core conductor all conductors          |
| Precious Material:                            |
| Silver  |
| Surface Treatment:                            |
| Tin core conductor first conductor            |
| Shelf Life:                                   |
| N/a   |
| Unit Of Measure:                              |
|   |
| Demilitarization:                             |
| No  |
