Overall Length:

60.000 inches

Termination Type:

Connector plug both ends all conductors

Conductor Quantity:

50

Criticality Code Justification:

Feat

Special Features:

Item contains material polyvinyl chloride; pvc that is detrimental to equipment and personnel w.O. Waiver as required by mil-std-454: 3rd connector at mid point: unapproved military dwg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A077a0
