**Overall Length:**

10.750 inches

**End Application:**

F-14

**Product Name:**

Busbar, electrical

**Material:**

Copper alloy and glass

**Material Specification:**

Qq-b-750, comp a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537p0
