Branched Wiring Harness - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6150-01-450-9085

End Application:
F-16b acft; next assembly p/n 16d51820m1; effectivity type/version 6/j 21 through 24
Binding Method:
Braid and sleeve and taped
Product Name:
Wiring harness-flight control d-station 92 to flight control matrix assembly
Material:
Copper core conductor all conductors
Fsc Application Data:
Aircraft accessory equipment
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
