**End Application:**

F-16b acft; next assembly p/n 16d51820m1; effectivity type/version 6/j 21 through 24

**Binding Method:**

Braid and sleeve and taped

**Product Name:**

Wiring harness-power forward ac power panel to crew compartment disconnect

**Material:**

Copper core conductor all conductors

**Fsc Application Data:**

Aircraft accessory equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A077a0
