**Body Cross-sectional Shape:**

Irregular

**Overall Length:**

4.575 inches

**Cross-sectional Width:**

0.400 inches

**Construction:**

Solid

**Special Features:**

USED-ON-C13-0/61

**Material:**

Copper

**Surface Treatment:**

Nickel

**Surface Treatment Specification:**

Qq-n-290 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A537p0
