**Body Cross-sectional Shape:**

Flat

**Overall Length:**

2.320 inches

**Cross-sectional Height:**

0.045 inches

**Cross-sectional Width:**

0.560 inches

**End Application:**

Fire fighting

**Mounting Configuration:**

Three slots located on one long edge

**Construction:**

Solid

**Product Name:**

Bar, bus

**Material:**

Copper

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
