Cross Sectional Shape:

Round

End Application:

90t400sIn ground power unit

Termination Type:

Lug solder both ends all conductors

Conductor Quantity:

2

Conductor Form:

Solid, tubular all conductors

Product Name:

Output cable

Material:

Rubber synthetic 2nd position jacket all conductors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
